Environmental, Social and Governance “ ESG ” 3

2024 1 1 2024 12 31 “ ”

17 —

The diagram illustrates the convergence of various sustainability standards into a unified framework by 2030. The timeline starts with ISO and ISO 26000 in 2010. These lead to GRI and GRI Standards, which then converge with SDGs and ESG. The final stage in 2030 shows a single, integrated sustainability standard.
